A Sophisticated Small Public Library Management System

Auto-Graphics' fully functional OPAC with simplicity and ease of use in mind

- Marketing solutions for public libraries since 1969, Auto-Graphics has decades of Library Management Systems knowledge and expertise with small public libraries
- Full of features, such as faceted and browse searching, that are not found in comparable industry products
- Proven technology in use by over 6,000 public libraries in North America
- Industry leading OPAC, simple to learn, easy to use, with a highly sought-after design
- Extensive 'My Account' facility for patron empowerment, including our Active Alerts Email Current Awareness System
- Built in API integration with OverDrive, Recorded Books (OneClickDigital and Zinio) along with other e-service providers
- 'Did you mean' suggestions derived from the library's database - no blind references

The screenshot displays the Auto-Graphics OPAC interface. The top navigation bar includes 'Staff Dashboard', 'Search History', and 'Web Resources'. The search results page shows 'Page 1 of 232 Total Results for: harry potter' with 20 results per page. A search result for 'Harry Potter and the sorcerer's stone' is highlighted, showing the book cover, author (Rowling, J. K.), date (c1998), and publisher (A.A. Levine Books). A 'Details' panel on the right provides metadata: Format: Book, System Nbr: ocn07975719, LCCN: 97038959, ISBN: 0590353403, Author: Rowling, J. K., Title: Harry Potter and the sorcerer's stone / J.K. Rowling, Publisher: A.A. Levine Books, Date: c1998, Description: vi, 309 p. : ill. 24 cm, Series Title: Harry Potter #1, Notes: Fantasy fiction; Sequel: Harry Potter and the Chamber of Secrets; Year 1; Note: Rescued from the outrageous neglect of his aunt and uncle, a young boy with a mysterious, powerful magic ability named Harry Potter is transported to a magical world where he will learn the truth about his parents and his role in the war against evil.

Below the search results, there is a table showing location information for the book. The table has columns for Location, Call Number, and Availability. The locations listed are SLMS (2 Total Copies, 2 Available, 0 Hold), A-G SLMS Library 01 - Adult - Fiction (1 Total Copy, 1 Available, 0 Hold), and SLMS (1 Total Copy, 1 Available, 0 Hold).
